4,800 + active International Members

26,000 + Social network outreach

Virtual platform with Networking Lounge (profile search and connection with potential clients / partners) - Exhibition hall - Auditorium for digital events or sessions’ replays

BioMarine operates Blue Economy related business conventions & workshops since 2008
A virtual visibility experience...

✓ Better branding
✓ Advertise to a 100% targeted audience
✓ Stronger engagement
✓ Speak directly with members or event attendees
✓ Promote your products virtually like never before

...with BioMarine Community platform

❑ One year visibility in the expo hall (logo display in lobby depending on level)
❑ Unlimited text chats
❑ 1:1 audio/video chats on your booth and lounge during a digital event
❑ Tailormade options depending on your objective
How do you navigate in the virtual platform?

Log in and through very simple navigation, BioMarine Community Members or event attendees can click their way through the platform.
The Lobby is designed with a 3D outlook and gives an immersive feel to the visitor as if he/she is actually entering a convention. There are 3 main areas they can navigate to:
Area 1:
The Networking lounge

Generate leads!

All year long, enter the networking lounge to search per profile, meet and talk with other BioMarine Community members.

Connect with speakers or attendees during a digital or hybrid event.
Area 2: The virtual auditorium

This is where digital events (or replays) are hosted. Click to enter a session, Q&A, view speakers’ details ...
BioMarine Community Members or Events’ attendees can take a look at the exhibitors’ company profiles, documents, videos etc... The exhibitor will be able to see who is online on his booth and engage a group chat or a 1:1 private chat (text or audio/video conversation during a digital event). All year long, any member can connect with the exhibitor via text chat.
Our tech team is there to help you customize your exhibitor’s experience

The exhibitors can upload brochures, flyers, presentations, videos and other resources to their booths. These resources can be browsed and downloaded by booth visitors. We provide our exhibitors or sponsors an easy and self-service system that will take them through a step-by-step wizard to set up their respective booth. Full assistance with a 24/7 support.
What extra visibility can you get?

As a sponsor or an exhibitor on BioMarine Community, you can promote your brand virtually like never before.
